SUBJECT: THOMASIAN WEB 2.0 CONSUMPTION ONLINE SURVEY

DATE: 28 FEBRUARY 2019

The University through the *EdTech* is conducting an online survey on the non-teaching (guidance, counseling, library, staff support) during the first two weeks of March 2019, from March 5 to 17, 2019. The instrument was prepared by RCEP Technology Center (EdTech) using EdTech.

This survey is an independent survey conducted by UST Veritas Market Research Academic Year 2018-2019.

EdTech will facilitate the sending of HRD and staff via email and faculty via Direct Mail. HRD and staff will take care of the email addresses of the respondents and alumni with EdTech and the latter will take care of the email blast survey.

The assistance of the Office of Alumni Relations in campaigns for these circulars, social media, and/or alumni network is highly appreciated.

Thank you very much.
